

From A to Z in Sustainable Agriculture: A Curriculum Directory for Grades K-12

Over 100 materials, resources and contacts for educating youth about sustainable agriculture, food and fiber systems, natural resources, and their connections to our communities,

Produced By: The Center for Sustainable Agriculture, Division of Agriculture, Natural Resources and Extension, University of Vermont, Burlington, VT. Made possible by a grant from The Frost Foundation, Ltd.

To Order: Complete and return this form with your check or money order in U.S. dollars for \$6 per directory (includes shipping within North America) made out to "UVM Center for Sustainable Agriculture." Add \$4 each to ship outside of North America. We cannot accept credit cards numbers or purchase order numbers.

Send to: Curriculum Directory
