Report on the Financial Statements

We have audited the accompanying combined financial statements of Organic Consumers Association and Organic Consumers Fund (the Organizations), which comprise the combined statements of financial position as of December 31, 2014 and 2013, and the related combined statements of activities and cash flows for the years then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organizations' preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Organic Consumers Association and Organic Consumers Fund as of December 31, 2014 and 2013, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Organic Consumers Association and Organic Consumers Fund

Notes to Combined Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies:

Nature of activities: Organic Consumers Association (the Association), a nonprofit corporation, focuses on representing the views and interests of organic consumers by educating consumers on food safety, industrial agriculture, genetic engineering, corporate accountability, and environmental sustainability issues. The Association uses funds raised to perpetuate consumer education in an effort to increase consumer awareness and knowledge of the agricultural production of organic foods and to protect and preserve the environment to ensure the development and expansion of the organic and sustainable agricultural model. The mission of the Association is to promote the development of a safe and sustainable system of food and agricultural production and the development and integration of societal goals and consensus building. The Association is working to create an interactive network of consumers concerned about food safety and is supportive of sustainable, organic agriculture.

Organic Consumers Fund (the Fund), a nonprofit corporation, was established to lobby for legislation, regulation, and programs to improve public health, the environment, and the economy.

The activity of the Association includes the Fair World Project, a project of the Association that promotes fair trade, insists on integrity in fair trade, and cultivates a holistic approach to global economics.

A summary of the Association's and the Fund's (collectively, the Organizations) significant accounting policies follows:

Accounting estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Principles of combination: The combined financial statements include the accounts of the Association and the Fund. All material intercompany balances and transactions have been eliminated in combination.

Net assets: Unrestricted net assets are those funds presently available for use by or on behalf of the Organizations, including the amounts available for general and administrative expenses. Temporarily restricted net assets are contributions that have donor-imposed stipulations that can be fulfilled by certain actions of the Organizations.

Advertising costs: The Organizations expense advertising costs as incurred.

Support and expenses: Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organizations report gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support. All contributions receivable at December 31, 2014, are due within one year.

The Organizations report gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organizations report expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Notes to Combined Financial Statements

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The Organizations charge bad debts to expense in the year they are deemed uncollectible. It is the opinion of management that, based on prior bad debt experience and the status of current receivables, an allowance for doubtful accounts is not necessary.

Cash: The Organizations maintain their cash in bank accounts which, at times, may exceed federally insured limits. The Organizations have not experienced any losses in such accounts.

Other contributions receivable: Other contributions receivable includes e-commerce transactions that are in the process of settlement.

Property and equipment: Property and equipment are stated at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is calculated using the straight-line method over the following estimated useful lives:

	Years
Building	20 - 40
Furniture, fixtures, and equipment	3 - 7
Vehicle	5

Income taxes: The Association is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and similar laws of the State of Minnesota. The Fund is exempt from income tax under Section 501(c)(4) of the IRC and similar laws of the State of Minnesota.

Under guidance on accounting for uncertainty in income taxes, the Organizations may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Management evaluates the Organizations' tax positions and has concluded that the Organizations have taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.

Recent accounting pronouncements: During May 2014, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers*. ASU 2014-09 supersedes the revenue recognition requirements in *Revenue Recognition (Topic 605)*, and requires entities to recognize revenue in a way that depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to in exchange for those goods or services. ASU 2014-09 will be effective for annual reporting periods beginning after December 15, 2017, and interim periods within annual reporting periods beginning after December 15, 2019. Early adoption is not permitted. Management is currently evaluating the impact of the pending adoption of ASU 2014-09 on the financial statements and does not, at this time, anticipate a material impact to the financial statements once implemented.

Subsequent events: Management has evaluated subsequent events through September 25, 2015, the date on which the financial statements were available to be issued.

Note 2. Contributions Receivable, Phone Bank

The Association and the Fund have each entered into an agreement with a third-party provider of phone bank services for fund raising and network development purposes. Under terms of the agreements, the Organizations pay the company a fee for expenditures incurred on the Organizations' behalf, limited to a set percentage of net collections. The phone bank collects the pledges on behalf of the Organizations. The agreements expire in December 2015. These receivables are recorded net of allowance. The allowance is derived from historical collection rates that have typically been near 50 percent. Pledges obtained from individual donors by the phone bank that have not been collected amounted to \$170,913 and \$248,397 at December 31, 2014 and 2013, respectively.

Via Organica (Organica) was established during 2009 to promote the development of ecological systems and sustainable agriculture, as well as to educate the Mexican public how to support such systems to maintain the health of individuals and of the environment. The CEO and Treasurer of the Board of Directors of Organica is the CEO of the Association. All other officers and board members of Organica are neither officers nor board members of the Association or the Fund. The Organizations contributed \$501,256 and \$453,099 to Organica during 2014 and 2013, respectively, for the funding of Organica programs. The amount is included as "projects and conferences" program services expenses as presented in Note 5.
