MAD COW USA — STOP THE MADNESS

By signing the petition below, I call on the US Government to adopt and enforce the same strict standards required by the European Union and Japan:

- ★ ***Mandatory testing for all cattle brought to slaughter, before they enter the food chain.***
- ★ ***Ban the feeding of blood, manure, and slaughterhouse waste to animals.***

please print legibly Name	Address w/city, state, zip	Telephone	E-Mail (save trees & postage)

Friendly Notice: If you sign this petition, expect to get contacted by the OCA asking you to get further involved. Signatures gathered by:
